DUNN E-Z is truly a multi-purpose cleaner. Thousands of multipurpose cleaners flood the market, but **DUNN E-Z** stands out above the rest. Rather than clean just a little of everything, this new product completes the job common multi-purpose cleaners only start. Its versatility is amazing!

DUNN E-Z can be used with 1-ounce to the gallon for defogging glass, or in varying strengths for thousands of uses. So why buy fifty different products for fifty different jobs, when all you really need is **DUNN E-Z**?

For most any cleaning problem, **DUNN E-Z** is the quickest and easiest solution. Easy on the hands and non-toxic, it can save money and time. Here are just a few examples.

AUTO	HOME	BUSINESS
Whitewalls Leather Plastics Cloth Chrome Motors Headliners Door Panels Convertible Tops Rust Road Tar Oxidation Carpeting Defog Glass	Pet Stains Walls Woodwork Windows Floors Carpets Upholstery Leather Plastics Chrome Porcelain Fiberglass Tile Linoleum Remove Mildew	Stainless Steel Walls Machinery Typewriters Adding Machines Presses Floors Equipment Cement Furniture Glass Degreasing Door Frames Paint On Hands

INSTRUCTIONS

DUNN E-Z can be used in various ways. In a solution, it can be applied with a spray bottle. There are times, too, when it can be used full strength.

DE-FOGGING GLASS AND MIRRORS

1. Apply **DUNN E-Z** with a spray bottle or cloth.
2. Use clean, dry cloth to buff glass completely dry (some uses are: windshields eye glasses, bathroom mirrors, scuba face masks, ski goggles, and so much more).

DUNN E-Z may be used full strength, for such tough problems as surface rust, road tar, hair spray build-up, glue, epoxy, and paint on the hands. Apply **DUNN E-Z** to area to be cleaned and let stand up to 10-minutes. Wipe off with clean cloth. **DUNN E-Z** can be used to clean carpeting, either an individual stain or an entire room.

THESE ARE A FEW OF THE STAINS THAT CAN BE REMOVED

Grease	Paint	Water Stains
Pet Stains	Vomit	Soda
Glue	Liquor	Coffee
Some Inks	Oil	Candle Wax
Wine	Grape Juice	Hair Dye
Gum		

Note: the success with which a stain can be removed depends on the length of time it has been in the carpet and whether or not another chemical has been used previously on the stain.

TO REMOVE STAINS FROM CARPETING

1. Spray solution onto stain, or all of carpet, and let stand up to 20-seconds.
2. Cover with towel, step on it with a twisting motion to soak up stain.
3. Rub dry with second towel. Repeat if necessary until stain is removed.

RECREATIONAL EQUIPMENT

VANS, MOBILE HOMES, CAMPERS, TENTS, SLEEPING BAGS, AND OTHER RECREATIONAL EQUIPMENT CAN BENEFIT FROM THE USE OF "DUNN E-Z", for exterior cleaning problems, and interior cleaning of carpets, ovens, upholstery and mildew. Great for removing stains caused from alcoholic beverages. Will remove tree stains, mildew, and dirt from portable awnings on mobile homes and trailers.

TO SHAMPOO WITH CARPET MACHINE

1. Vacuum before shampooing.
2. Use 10-1 mixture with water (7-1, if very soiled)
3. Add solution to holding tank in machine.
4. Shampoo entire carpet.
5. Remove excess moisture from carpet with towels or vacuum if necessary.

TO CLEAN CARPET WITHOUT A MACHINE

1. Vacuum carpet.
2. Dilute **DUNN E-Z** with a 7-1 water ratio for badly soiled carpets, or 10-1 for other carpet cleaning.
3. Apply with soft bristle brush to loosen soil.
4. Wipe with clean towel.
5. Vacuum.

GENERAL CLEANING

DUNN E-Z may be used as a general all-purpose cleaner. Use **DUNN E-Z** with 10 to 20 parts water. Spray such surfaces as counter tops, furniture paneling, walls, upholstery, appliances, light fixtures, etc. Wipe dry with clean cloth or towel.

TO CLEAN VINYL TOPS

1. Dilute **DUNN E-Z** with a 7-1 water ratio.
2. Scrub top with brush and solution.
3. Rinse with clean water (will remove mildew from tops in this way).

TO CLEAN GLASS

1. Add 1 tablespoon of **DUNN E-Z** to 1 quart of water.
2. Spray glass with solution.
3. Buff dry with clean, dry cloth.

TO DE-GREASE CAR ENGINES/SHOP FLOORS

1. Dilute **DUNN E-Z** with a 1-5 water ratio.
2. Spray on engine/shop floor.
3. Let stand 5-15 minutes.
4. Rinse with pressure hose or garden hose.

TO CLEAN CARS, BOATS, MOTORCYCLES, ETC.

1. Dissolve **DUNN E-Z** with water.
2. Apply with cloth or sponge, working soil loose.
3. Rinse thoroughly with garden hose.
4. Buff surface dry with clean cloth.

NOTE: autos, boats, etc., should not be cleaned in direct hot sun, or when surface is hot.

TO STRIP LINOLEUM, TILE, WOOD FLOORS

1. Dilute **DUNN E-Z** with a 2-1 water ratio.
2. Sponge mop onto floor.
3. Let stand 3-4 minutes.
4. Strip thoroughly with abrasive buffer.

Product Use Guidelines

As you can see, **DUNN E-Z** can be used on any surface. Experimentation can be useful, however, a few rules should be followed.

1. Use **DUNN E-Z** full strength on extremely difficult jobs. A 7-1 water mixture for tough problems, and a 10 or 20-1 for general cleaning. Stoves, grills, and ovens need a 3-1 solution. Use 20-1 for glass, walls, or any appliance or counter surface.
2. Always test for color fastness when using **DUNN E-Z** on carpets, upholstery, fabrics and spot cleaning. Keeping this in mind, you should find **DUNN E-Z** very economical, quick and easy to use...and maybe even fun!

KEEP OUT OF REACH OF CHILDREN

Professional use only
